SPEAKER ASKS FOR **OUORUM ON TUESDAY**

WASHINGTON. Oct. 4.—Democratic Leader Underwood told the house that he hoped an agreement would be reached among leaders on both sides to take up no more important matters of legislation after its meeting next Tuesday for three or four weeks. He said that yesterday it would be impossible to get the senate to agree to a thirty-day recess, but hoped that most of the members would be able to absent themselves for several weeks, leaving only a few here to adjourn a few days at a time.

Speaker Clark asked the members that a quorum appear on Tuesday, when the urgent deficiency appropriation bill probably will come back from its visit to the senate.

DUCK CLUB'S DISPUTE CONTINUED IN COURT

By stipulation, the restraining order issued a week ago from the district court to prevent the Rudy Slough Duck club, the Central Gun club, and others from diverting water from the Jordan river to the surplus canal, was allowed to continue in force another week yesterday.

The New State Gun club secured the order on a showing that by diverting water alleged to belong to it, the defendants were damaging the duck shooting preserves. Demurrers were to have been argued yesterday but a continuance was agreed to.
